* The alphabetical headings and numerical subheadings of this index, with two exceptions, were adapted from *The Lawyer's Handbook* and are used in the same sequence. This allows the reader to cross-reference and locate easily all magazine articles in *Legal Economics* dealing with the same topic. The exceptions are "Substantive Law Systems," which can be cross-referenced with the Section publication *How to Create A-System for the Law Office*, and "Solo Spotlight" which highlights articles of special interest to the solo practitioner.

Previous indexes appeared in the January/February 1979 issue of *Legal Economics* (covering Spring 1975 to Fall 1978), the March/April 1983 issue (January/February 1979-November/December 1982), the January 1986 issue (January/February 1983-November/December 1985) and the March 1989 issue (January 1986-November/December 1988).
